

Building up deep whole disciples who love God

Christ calls us to make disciples (Matt 28:19). We want to create an environment that nurtures Christians who are committed to Christ, know the depth of God's love for them, who are becoming the people God made them to be, living distinctively in this world.

We do not want to provide a Christian entertainment centre, where people dip in and out to suit their needs without any real change and growth. We want to be a church that helps people move beyond a shallow faith and who take personal responsibility for their own spiritual lives whilst learning to encourage each other on the way. We want to equip the believer to be 'salt and light' rather than simply blend into the prevailing culture of the day.

We are a discipling community of people who follow Christ together, sharing our lives, standing alongside one another and learning to be accountable in appropriate ways. We recognize our faith affects every part of our everyday lives.

Discipleship

"We will in all things grow up into him who is the Head, that is, Christ.

From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work"

Ephesians 4:15-16

CHURCH LEADERSHIP & MISSION

From time to time individuals have a sense of God calling them to leadership within God's Church. We are keen that women and men can explore such stirrings, and we provide support and guidance for this.
